# ADDING NEW PRODUCT

- Here you will need to fill in the details to add in new product to the mini shopping cart list.
- Once done filling up all the required details, press **"Add Product"** and it will be added into the mini shopping card list.

The screenshot shows the Fiuu dashboard with a sidebar navigation menu. The 'Mini Shopping Cart' option is highlighted. A modal form titled 'Add New Product' is open in the center. The form contains the following fields and controls:

- Product Name \***: A text input field containing 'Gaming mouse, perfume, etc...'.
- Product Image \***: A button labeled 'Choose File' and a status 'No file chosen'.
- Currency \***: A dropdown menu showing 'MYR'.
- Product Price \***: A text input field containing '0.00'.
- Description \***: A text area with a character count '0/255 characters' and a placeholder 'Describe about your product ...'.
- Buttons**: 'Cancel' and 'Add Product' (highlighted with an orange border).

The background dashboard shows a 'Target Country' dropdown set to 'MALAYSIA', an 'Upload Promo Picture' section, and a 'Products' list. A 'Checkout preview coming soon!' banner is visible at the top right of the main content area.

**Product Name:** The name for the product.

**Product Image:** Product image that will be used as the thumbnail in the mini shopping cart list.

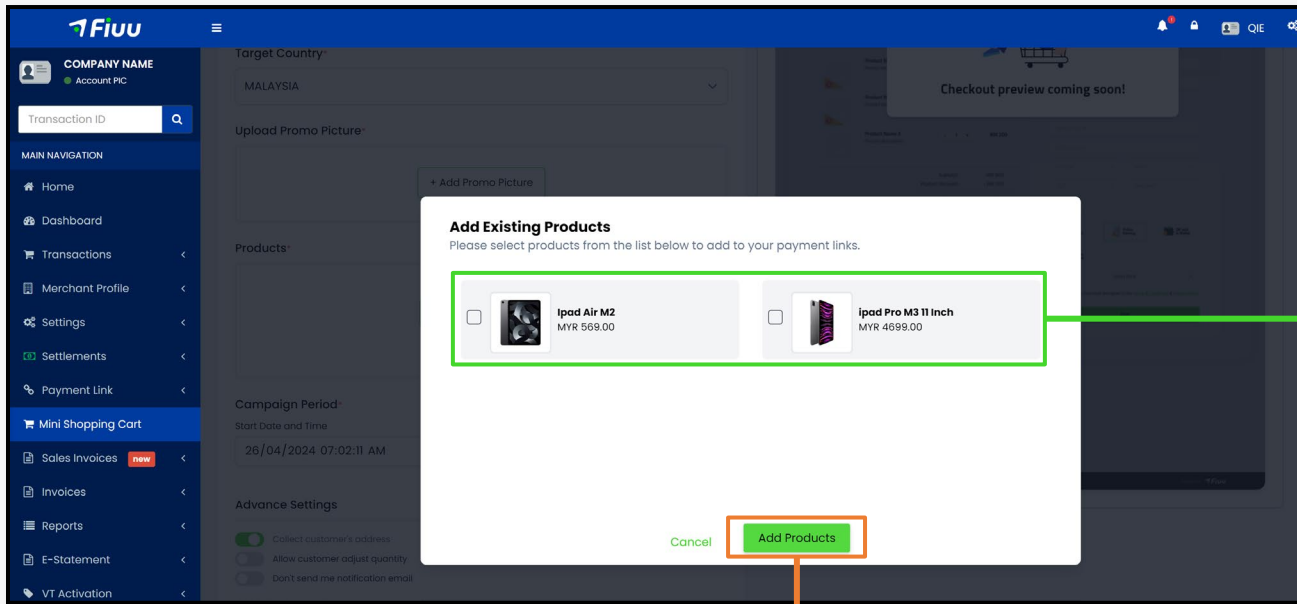

**Currency:** Which country would the product is targeted for.

**Product Price:** Price for the product.

**Description:** Description of the product.

# ADDING EXISTING PRODUCT

- Here you can select your existing product to be added in the mini shopping cart list.
- Once done selecting your existing product to be added, press **"Add Products"** and it will be added into the mini shopping card list.

Select your existing product to be included into the mini shopping cart list.

Click **"Add Product"** once you have made your selection.

# SHOPPING CART LINK LIST

- This page allows you to view and edit your created mini shopping card details.

The screenshot shows the 'Mini Shopping Cart' section of the Fiuu dashboard. The left sidebar contains navigation links: Home, Dashboard, Transactions, Merchant Profile, Settings, Settlements, Payment Link, Mini Shopping Cart (selected), Sales Invoices, Invoices, Reports, E-Statement, and VT Activation. The main content area is titled 'Manage Shopping Cart Links' and includes a search bar and a 'View All Archived Mini Cart Links' button. Below this is a table with columns: Create Date, Title, Country, Link URL, Start Date, Expiry Date, Status, and Actions. A single entry is shown with a tick box in the 'Create Date' column, a title 'Apple X Fiuu', country 'MY', a Link URL, and an 'Active' status. The 'Actions' column contains icons for edit, copy, and archive. Callouts with colored boxes and arrows point to specific elements: a green box for the 'Manage Shopping Cart Links' header, a yellow box for the tick box in the 'Create Date' column, an orange box for the 'Link URL', a blue box for the 'Status' toggle, and a red box for the 'Actions' icons.

Create Date	Title	Country	Link URL	Start Date	Expiry Date	Status	Actions
<input type="checkbox"/> 25-04-2024 13:21	Apple X Fiuu	MY	<a href="https://uat-checkout.merc...">https://uat-checkout.merc...</a>	25 April 2024 at 05:20 AM	11 May 2024 at 05:20 AM	Active <input checked="" type="checkbox"/>	

You can view all the created links for your mini shopping cart.

You may edit, copy, or archive the created product here.

Option for you to show or not to show your shopping card links by either activating it or deactivating it here (on/off).

You may archive shopping link card in a bulk by ticking this tick box.

You may have a customer's POV if you click this link.

# PRODUCT LIST

- This page shows all your product lists briefly which you can also view or archive the product from here.

# ORDER LISTS

## ACTION – VIEW

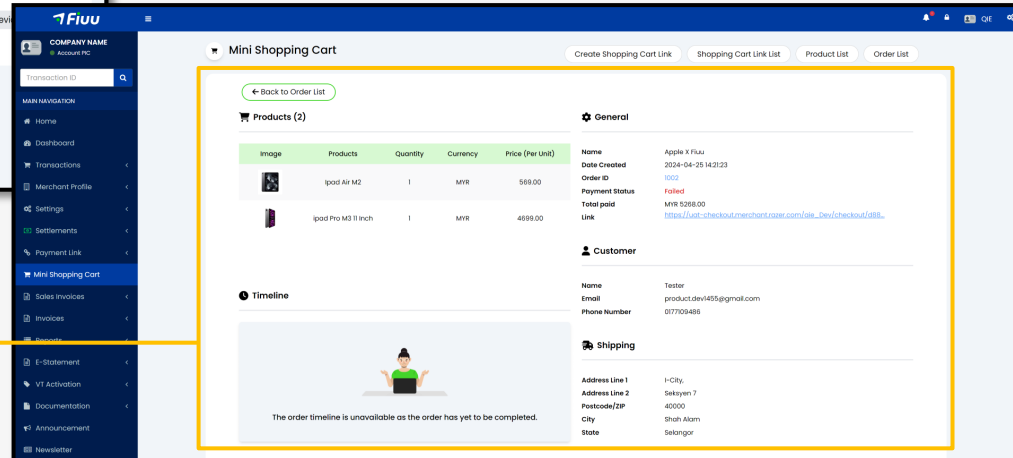

- This page shows all your product lists briefly which you can also view or archive the product from here.

Click “View” under the “Action” tab to view the product that has been purchased by the Customer.  
*\*Refer to next slide (page 11) for more information.*

You may view the products purchased by the Customer here for details such as below:

- Products that have been purchased
- Timeline
- General information about the purchase
- Customer details (name, email, and phone number)
- Shipping details

# ORDER STATUS

## SUCCESS – CHECK & UPDATE ORDER STATUS

- You will reach this view once you have clicked on “**View**” button from the Order Lists previously.
- Here, you can view the transaction details as well as the status of the purchase. Below is a sample of a transaction with a “**SUCCESS**” status as below.

The screenshot displays the 'Mini Shopping Cart' interface. At the top, there are navigation buttons: 'Create Shopping Cart Link', 'Shopping Cart Link List', 'Product List', and 'Order List'. Below this is a 'Back to Order List' button. The main content is divided into two sections: 'Products (2)' and 'General'.

**Products (2):**

Image	Products	Quantity	Currency	Price (Per Unit)
	Ipad Air M2	1	MYR	569.00
	Ipad Pro M3 11 inch	1	MYR	4699.00

**General:**

Name: Apple X Fluu  
Date Created: 2024-05-07 11:15:57  
Order ID: 1026  
Payment Status: Success  
Total paid: MYR 5268.00  
Link: [https://uat-checkout.merchant.razer.com/qis\\_dev/checkout/088...](https://uat-checkout.merchant.razer.com/qis_dev/checkout/088...)

**Customer:**

Name: Ahnaf Hazim  
Email: anaphaz@gmail.com  
Phone Number: 0172539814

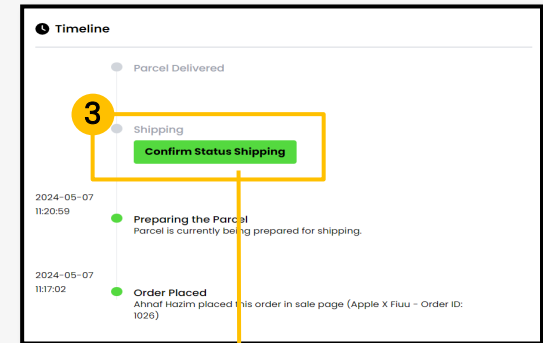

**Shipping:**

Address Line 1: No 22  
Address Line 2: Jalan 23/23  
Postcode/ZIP: 47620  
City: Subang Jaya  
State: Selangor

**Timeline:**

- Parcel Delivered
- Shipping
- Preparing the Parcel (2024-05-07 11:20:59): Parcel is currently being prepared for shipping.
- Order Placed (2024-05-07 11:17:02): Ahnaf Hazim placed this order in sale page (Apple X Fluu - Order ID: 1026)

Annotations: A green box labeled '1' highlights the 'Timeline' section. A blue box labeled '2' highlights the 'Preparing the Parcel' status with a 'Confirm Status' button. A green arrow points from this box to the right-hand timeline diagram.

Click “**Confirm Status Shipping**” once you have shipped the goods to the customer. A popup will appear for you to fill in shipping details (refer page 12).

Click “**Confirm Status**” once you have prepared the goods to be shipped after customer order is placed.

This is the timeline of the purchase made by the customer which will show from the first point of contact until the end of the purchase process.

# ORDER STATUS

## SUCCESS – CHECK & UPDATE ORDER STATUS

The screenshot displays the Fiiu Mini Shopping Cart interface. A modal form titled "Tracking Number" is centered on the screen, overlaid on a dimmed background of the shopping cart. The modal contains the following elements:

- Tracking Number** (Section Header)
- Notification text: "Notification email with courier informations will be sent to the user for acknowledgement. Please ensure the tracking number is accurate."
- Courier Name \*** (Label) with a text input field containing "Courier..."
- Tracking Number \*** (Label) with a text input field containing "Tracking Number..."
- Re-enter Tracking Number \*** (Label) with a text input field containing "Re-enter Tracking Number..."
- Cancel** and **Submit** buttons at the bottom.

The background interface includes a sidebar with navigation links (Home, Dashboard, Transactions, Merchant Profile, Settings, Settlements, Payment Link, Mini Shopping Cart, Sales Invoices, Invoices, Reports, E-Statement, VT Activation, Documentation, Announcement) and a main content area with tabs for "Create Shopping Cart Link", "Shopping Cart Link List", "Product List", and "Order List". The "Mini Shopping Cart" tab is active, showing a "Products (2)" section with a "General" tab selected.

You must fill in the shipping details as below:

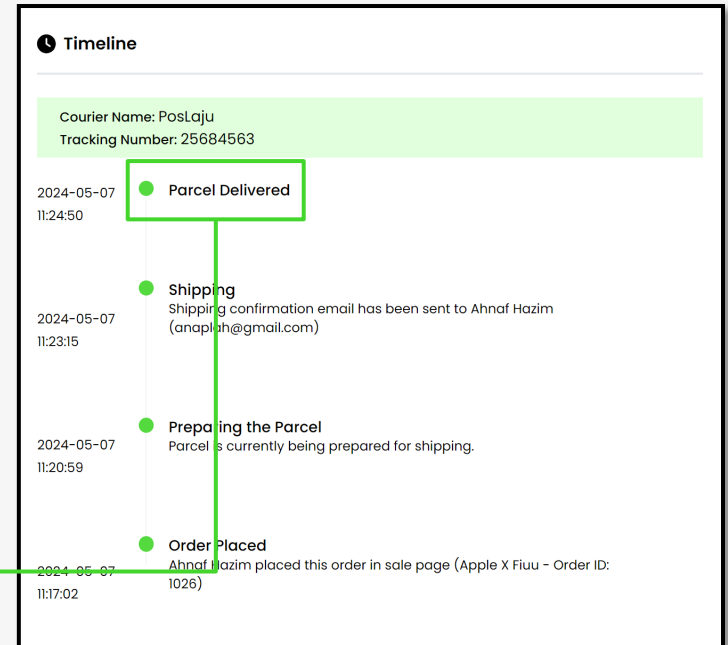

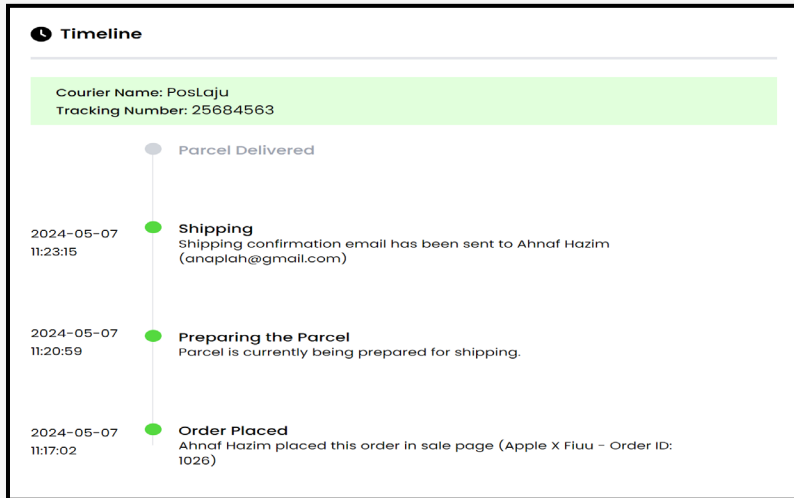

- Courier name
- Tracking Number
- Re-enter Tracking Number

Click **"Submit"** once done.

# ORDER STATUS

## SUCCESS – CHECK & UPDATE ORDER STATUS

- The shipping timeline will be automatically updated (as below) once you have filled in the “Shipping Details” earlier (page 12).

- “Parcel Delivered” will be showing as green only if the customer has updated their shopping cart from their end.
- If the customer is yet to update anything, by default, “Parcel Delivered” will be showing as green after 7 days.

# CHECKOUT PAGE

## CUSTOMER POINT OF VIEW (POV)

- This below shows the customer's POV upon checking out the items from the cart.

The screenshot shows a checkout page for 'Example PaymentLink'. The page includes a promotional banner, a product list, a customer details form, a shipping details form, a payment method selection section, and a final 'PAY' button. Annotations with colored boxes and arrows point to specific elements:

- Confirmation of customer items before making a payment** (Green box): Points to the product list showing two items: 'Ipad Air M2' (MYR 569.00) and 'Ipad Pro M3 11 inch' (MYR 4,699.00). The subtotal is MYR 5,268.00, and the total is MYR 5,268.00.
- Customer will fill in personal details and shipping address.** (Yellow box): Points to the 'Customer Details' and 'Shipping Details' forms. The 'Customer Details' form includes fields for Name, E-mail, and Phone Number. The 'Shipping Details' form includes fields for Address Line 1, Address Line 2, Country, City, State, and Postcode.
- Customer selects the payment method here. Three (3) options:** (Blue box): Points to the 'Pay Details' section, which offers three options: Credit, E-Wallet, and Online Banking.
- Customer click "PAY" to proceed for payment.** (Orange box): Points to the large green 'PAY' button at the bottom of the page.
